BAKING POWDER

Is a pure baking powder—
no alum, lime or ammonia.

No acid but that from grapes—
which is pure, pleasant and
healthful—enters into Dr. Price's
Baking Powder.

Fruit acids are accounted by
hygienists the most important of
the elements of the food of man,
and of these the acid of the grape
is most prominent.

Dr. Price's Cream Baking
Powder is not only the most efficient
and perfect of leavening
agents, but owing to its constituents
is likewise promotive of health.

PRICE BAKING POWDER CO.,
